## President's Message

Gateway Reading Council President Anne Seil

*From the President's desk...*

As your incoming president of Gateway Reading Council, I would like to introduce myself to all of you in the literacy world. My name is Anne Seil and I am the Reading Specialist at McKinley in Petaluma. My entire career has been devoted to elementary education and I have worked in various types of public and private venues.

For those of you reading this who are Council members, I want to express my

thanks for your participation and support. If you are not a member yet, I want to extend an invitation to attend any of our ongoing programs and events. You will be warmly welcomed!

Every citizen of our beautiful country has the right to literacy – and the Council gladly pursues the mission of promoting that concept. This newsletter is but one of our tools in achieving our goals, please help us by passing this along to others.

Keep reading and writing!

Anne Seil

Happy Back to School Greetings to all Gateway members!

Gateway is part of the California Reading Association, so when you join Gateway you also join thousands of other professionals promoting literacy in California. CRA is dedicated to enhancing the

knowledge of teaching reading and spearheading literacy efforts in our state. As past president of CRA, I enjoyed attending the International Literacy Association (formerly IRA) conference this summer in Boston. Noted Authors, researchers and literacy experts shared cutting edge ideas and valuable information for everyone working in the field of literacy. I especially enjoyed one of the Research Institutes where I heard Doug Fisher, David Pearson and Nell Duke speak about think alongs, establishing purpose and focus on student learning rather than on an activity, assignment or task and the importance of integrating History/SS in literacy lessons.

Carla Peterson and I had the pleasure of presenting a session entitled: *History: A Story Well Told! An Exploration of Historical Fiction and the Use of Primary Sources in the Literacy Classroom* which was well received by conference attendees from across the United States.

I hope many of you are able to attend the PDI conference in Visalia on November 4-5, 2016 featuring Regie Routman, Donalyn Miller, author of *The Book Whisperer* and Ruth Culham, author of numerous writing books, along with 75 other noted authors and speakers. The conference promises to be an exciting literacy event which you don't want to miss!

Gateway and CRA can support teachers, librarians, students and parents in Sonoma County by joining the CRA book club open to all CRA members. We are reading and sharing ideas about how to use *The Book Whisperer* in the classroom. Go to <http://www.californiareads.org> and click on the Book Club blog to join the conversation. Also, visit the Gateway website <http://www.gatewayreadingcouncil.org> for resources and upcoming events.

I encourage you to get involved in supporting reading and literacy by participating in Gateway events and CRA activities. *Literacy is the Bridge to Hope and Opportunity!* Let's work together to ensure that all California students have rich literacy opportunities. Happy Reading!

Nancy Rogers-Zegarra, CRA Past President
